

REBEL FORCES LEAVE JUAREZ TO MEET FEDERALS ADVANCING FROM CHIHUAHUA

So Far Impending Battle Between the Two Forces Has Not Been Opened

ARE TAKING POSITIONS

Main Battle Will Take Place Today or Tomorrow After Armies Take Their Positions

MORE TROOPS TO FRONTIER

BULLETIN.
JUAREZ, Mex., Nov. 22.—General Francisco Villa is preparing to evacuate Juarez from all indications and it is expected that by daylight there will not be a trace of a rebel soldier in the city.

At 2 o'clock this morning his men were entertaining quietly at the Mexico Northwestern railway yards and this leads to the belief that the rebel chieftain is fleeing towards Casas Grandes.

BULLETIN.
EL PASO, Texas, Nov. 22.—It is reported here early this morning that the constitutionalists are evacuating Juarez.

EL PASO, Texas, Nov. 22.—The main body of General Francisco Villa's rebel forces which left Juarez early this morning to meet a federal force reported to number about 6,000, advancing from Chihuahua to give battle to Villa's rebels. It is reported tonight to be about forty miles south of the border and so far the impending battle between two armies has not been opened. At rebel headquarters in Juarez it was reported tonight that a few shots were exchanged by the advance guard of the two armies late this afternoon but both sides retired awaiting the bringing up of the main bodies of troops. It was also reported that two federal troop trains bearing 1,500 men and horses had been dynamited by rebel mines at Rancharia.

General Francisco Villa is tonight in Juarez. He said that the main battle will not begin until tomorrow morning or the day following, as both armies are taking positions between the stations of Los Medanos and Samalauca. He intends to return to the front tomorrow in order to direct their operations in the battle which is expected to occur soon.

To Reinforce Troops.
Washington, Nov. 22.—Reinforcement of the American troops on the Mexican frontier was a development today relating to the Mexican problem, but this movement of troops was declared to not at all alarm by official statements issued in explanation.

It was said at the war department that one of two infantry regiments is to be ordered immediately to Fort Bliss, near El Paso for the purpose of freeing one of the cavalry regiments now stationed at that fort for active duty along the international line in the execution of the neutrality laws. The choice will fall upon the 16th infantry now at the presidio at San Francisco or the 20th infantry, stationed at Fort Douglas, near Salt Lake City, Utah. To serve as a garrison and defend the city of El Paso from any possible attack from the south of the line, or to police the city in case of rioting, it was said that the infantry organization would be as serviceable as the mounted soldiers. On the other hand, being as mobile, the infantry could scarcely fill the place of cavalry on the border patrol. The net result of the order is to increase to a full regiment the force of American troops available to maintain order along the border. That their services may be needed for this purpose was asserted by members of the Texas congressional delegation and Secretary Garrison yielded to their appeals when he learned through press despatches that federal leaders were again approaching Juarez, opposite El Paso and that the rebel general, Villa, who only recently captured the town had gone forth to meet the federalists in battle. Reports of threatened disorders near Laredo, far to the east of El Paso, also reached the war department but General Bliss who transmitted them, at the same time informed Washington officials that he had dispatched another squadron of the Third Cavalry from Fort Sam Houston, (San Antonio) to reinforce the squadron already there. With the feeling of apprehension as to the safety of the oil tanks near Tuxpan, allayed by pledges from the rebel leaders that there would be no violation of property rights there, naval officials were considerably relieved today. It was expected that one of the two British armored cruisers from Barbadoes would put in an appearance at Tampico almost immediately and apparently it was felt safe to withdraw the Battleship New Hampshire from Tuxpan, particularly as the Battleship Louisiana remains in that neighborhood to look after foreign interests. With the removal of all misunderstandings as to the reasons for the visit of British ships to the oil coast it was felt that the lines of protection against anarchy will be strengthened materially. There has

been fear that an attempt might be made to fire the great oil tanks wherein are stored nearly fifty million barrels of petroleum.

Six Arrests Are Made.
Douglas, Ariz., Nov. 22.—As a result of the recent theft of 3,200 rounds of ammunition from Troop L, Ninth U. S. cavalry (negro), six arrests have been made and it was said that thirty more are in prospect.

Three soldiers and three Mexicans were arrested, charged with grand larceny and conspiracy to smuggle munitions of war from the United States to Mexico. The soldiers, Sergeant Sheppard, and Privates George Washington and William Johnson were also charged with having sold government ammunition, an offense carrying a heavy penalty.

The Mexicans taken into custody were Armando Hernandez, Angel Guadalupe, and Abram Madrid, all of whom drive automobiles which ply between Douglas and Agua Prieta, Sonora.

Constitutionalist officers returned the ammunition, although it had been distributed among the soldiers at Agua Prieta. They declared it was not the first time troops of the Ninth Cavalry had sold them ammunition. American army and government officers still are seeking the identity of the persons who disposed of 2,000 rounds of ammunition at Naco, several weeks ago, taking it from where it was guarded by Troop B, and returned the boxes filled with sand.

Warns Against Destruction.
Vera Cruz, Nov. 22.—Consul Miller of Tampico reports in a wireless despatch from the United States Battleship Nebraska that he has sent a special messenger to General Canido Aguilar, the rebel commander, with a letter from Captain Spencer S. Wood, the commander of the Nebraska, giving warning against the destruction of foreign property. He also advised the oil companies that they must remain neutral and must not pay war taxes.

Trains Are Blown Up.
El Paso, Tex., Nov. 22.—Two federal troop trains, enroute from Chihuahua to Juarez were blown up at Rancharia, sixty miles south of Juarez this afternoon by dynamite mines, placed along the railroad track by the rebels, according to a statement given out at six o'clock tonight by General Francisco Villa, who returned to Juarez from that place, where his troops are awaiting the federalists' advance. He claimed that there were 1500 federal troops on the trains which were destroyed and that the loss of life was enormous. The rebels claim to have captured one of the trains.

Villa returned to Juarez, fearing that federalists had sent a flanking column to Guadalupe, a border town east of Juarez with the intention of sending this force to Juarez to attack the town. Scouting parties were dispatched from Juarez this evening to watch for the approach of the federal troops which are reported to have gone to Guadalupe.

Fighting is reported to have commenced between Villa's advance guard and the federal advance guards. Villa expects to fight the federalists about fifteen miles out and believes the battle will be on by five o'clock. The federal advance is said to be followed by large reinforcements, that should make the two commands about equal when they meet.

South Side Circle Meets With Mrs. Fuhr.
The South Side circle met Friday afternoon with Mrs. George M. Fuhr, 123 East Morton avenue, in charge of Mrs. J. W. Follansbee who read a paper on "Industrial Progress." Mrs. Follansbee brought out the difference between our own times and the days of our grandmothers with their spinning wheels and homespun. In those times every home was a workshop and every woman an artisan.

Next Friday at 2:30 the circle will meet with Mrs. William B. Winchester, of East College street. Mrs. R. S. Fanning will read the paper, taking as her subject, "Increasing Home Efficiency." At the roll call Friday each member is expected to answer with some idea on "how to manage a husband."

DOGS KILLED BY POLICE.
Saturday morning the police began the work of putting out of the way the canines bitten by the dog which ran amuck Friday. Although it is not known for certain that the dog had the rabies, the risk, in the opinion of the police, was great and the work of extermination was begun. The cause of the disturbance was a bird dog which inhabited the south part of town and the second ward and attacked about twelve dogs.

MRS. C. D. JOHNSTON ILL.
Mrs. C. D. Johnson of 1000 West Michigan avenue was taken last night to a Chicago hospital, critically ill. She will be under the care of a specialist in Chicago. She was accompanied by her son, Dr. Lewis Johnson of that city and his sister, Leora.

FEDERATION RE-ELECTS GOMPERS PRESIDENT

CHOOSES PHILADELPHIA AS PLACE OF NEXT CONVENTION

In List of Officers Chosen Frank Duffy and John P. White Are Only New Men Elected—Mitchell and Huber Retire From Office.

SEATTLE, Wash., Nov. 22.—The American Federation of Labor adjourned tonight after electing officers and choosing Philadelphia as the place of its next convention, which will assemble on the second Monday of November, 1914. The officers chosen are:

President—Samuel Gompers.

First vice president—James Dunne.

Second vice president—Jas. O'Connell.

Third vice president—Dennis A. Hayes.

Fourth vice president—Joseph H. Valentine.

Fifth vice president—John R. Alpine.

Sixth vice president—H. B. Perham.

Seventh vice president—John P. White, president of the United Mine Workers of America.

Eighth vice president—Frank Duffy, general secretary of the Brotherhood of Carpenters and Joiners.

Treasurer—John B. Lennon.

Secretary—Frank Morrison.

In this list are only two new men, White and Duffy. Second Vice President John Mitchell and Fifth Vice President William D. Huber, retired voluntarily.

For delegate to the British Trade Union congress W. D. Mahon, international president of the Brotherhood of Street and Electric Railway employees, who was elected over Counselman Frederick L. Wheeler of Los Angeles by a vote of 14,603 to 3,834.

John Mitchell nominated Mahon and Wheeler's vote was looked on as a test of Socialist strength.

For second delegate to the British Trade Union Congress, Matthew Woolf of the Photographers union was unanimously elected.

Mortimer Donohue, of Butte, Mont., was chosen delegate to the Canadian trades and labor congress.

A conference of delegates was held last night at which it was agreed to place John P. White on the executive board as John Mitchell had desired. This removed all talk of opposition to Samuel Gompers for the presidency. The election of Mr. Gompers today was unanimous except that William Keener, delegate of the Utah Federation of Labor, asked to be recorded in opposition, as he had been instructed so to vote. He declared with a great demonstration when Gompers was declared elected. President Gompers closed the convention with an address in which he said no former convention had been so largely attended both by delegates and visitors. He announced that the executive council would meet in Seattle next Monday. Shortly before adjournment a resolution was adopted instructing the executive council to draw up a resolution expressing regret at the retirement of Second Vice President John Mitchell. There was long cheering while Mr. Mitchell went to the platform and shook hands with Gompers. Mitchell made a farewell speech in which he exhorted the delegates to organize the unskilled men and women workers and to help the children.

GIRL'S ADMISSION SOLVES MYSTERY

Elsie Day Who Was Thought to Have Been Murdered in Freight Car Is Found in Des Moines

BEAT WAY FROM SPOKANE

Story of Trip from Western Coast Explains Finding of Clothing, Book and Revolver in Car at Aurora

NOSE BLEED ACCOUNTS FOR BLOOD STAIN

DES MOINES, Iowa, Nov. 22.—Elsie Day, who was thought for a time to have been murdered some where between Spokane, Washington and Aurora, Illinois, but was found alive in Des Moines last night, admitted tonight that she and her brother, Alfred Love had beaten their way from Spokane to Des Moines. Their story explains the finding of the clothing, book and revolver in the car.

"On the road somewhere I struck my nose against the end of a projecting joist in the car," said Love. "I had my sister's waist in my pocket and used it to wipe off the blood. The revolver is one I brought with me for protection. I dropped it in the car and could not recover it." The German reader found in the car was one they forgot to pack with their other belongings and they had carried it with them. Elsie Day traveled the whole distance in her brother's clothes. They left Spokane, October 27th, and arrived here eleven days later.

The young man and young woman were adopted by different families in childhood.

"I had not seen my sister for seventeen years," Love said. "I visited her last fall. I couldn't get work and we were up against it. I knew I could get along in Des Moines and Elsie suggested that we beat our way."

Really we had a great lark on the way," said Miss Day, who is an unusually attractive young woman.

Officers Are Puzzled.
AURORA, Ill., Nov. 22.—A system search was begun today for the owner of a blood stained undergarment of a woman and a high school textbook, which, with a revolver were found here yesterday by men unloading a car of lumber of South Bend, Ind.

The articles are held as the only evidence of a probable murder committed at South Bend or somewhere between that city and Aurora. After twenty-four hours of investigation mystery never came to their attention.

Among several names written on a fly leaf of the book were those of the police say a more baffling Miss Elsie Melba, Day, Springfield, Ore., Alfred Lover, Des Moines, Io., and Mrs. D. H. Smith, Unionville, Iowa.

Miss Day has been at Des Moines visiting relatives for two weeks. She said she may have loaned the book to Miss Alice McCormack who was her teacher at Springfield, Ore.

She said that McCormack was a large woman. The garment found was worn by a woman above the average in size. She said that Miss McCormack was the victim of a murder was dispossessed when she was located at Harrisburg, Ore. She did not remember borrowing the book and could not explain its presence here.

Miss Day today said Mrs. Smith was her mother. She has not seen her mother since she was a child and does not know where she can be found. Imprints made by blood stained fingers have been found on the edge of a small door at the end of the car. The articles were found near this door. Finger marks were also found on the revolver and have been photographed.

The car which brought its mystery here has been traced by the Chicago, Burlington & Quincy railroad to the switch yards at East Grove, Minn., where it was received from the Northern Pacific railroad. Railroad detectives have been assigned to the case and track walkers along the route over which the car traveled have been instructed to watch for evidences of a body which might have been thrown from a train.

GAVE VISITORS BANQUET.
The members of the Peoria Manual football team were tendered a banquet at the high school last night at 6 o'clock by the girls of the Sophomore and Junior classes. After the banquet a number of short speeches were heard. Members of the J. H. S. eleven were also present.

I. W. C. GUILD.
The I. W. C. guild circle of the third ward will meet with Mrs. E. C. Carpenter, 137 Hardin avenue, Monday p. m. to sew. On Saturday afternoon all the guild circles of the city will meet at the Woman's college to sew. The big bazaar will be held December 14.

CARD OF THANKS.
We take this method of thanking the neighbors and friends for the many kindnesses extended at the time of the death of our beloved mother, Mrs. Margaret Mutch, also for the beautiful flowers.

DECISION CLOSES ALL SALOONS IN DES MOINES

IOWA SUPREME COURT ENDS APPEAL OF LIQUOR INTERESTS

Thirty-three Hundred Saloons Are Closed In Ohio In Accordance With State Law Which Limits Number of Saloons in "Wet" Territory to One For Each 500 Population.

DES MOINES, Ia., Nov. 21.—Every saloon in Des Moines must close immediately according to a decision handed down by the Iowa supreme court late this afternoon. The decision ends the appeal of the liquor interests and the saloons are expected to close as soon as notified officially of the court's action.

Within an hour after the supreme court's decision had been handed down officers were serving the saloon keepers with notices to quit business and by 5:30 o'clock practically every one of the ninety-one saloons in town had closed its doors. Some of the principal bars proprietors promptly ejected their patrons, while in others "final drinks" were permitted before the "lid" went on. In many instances crowds collected on the outside of the places where an hour before they had been inside and discussed the sudden turn of affairs. The court's opinion held that the petitions of consent required by the state law for the opening of saloons were insufficient thus reversing the decision of Judge James P. Hewitt, of the district court who had declared them sufficient.

Earlier in the day formal demand for the closing of the saloons had been made by the Citizens' association, upon the Retail Liquor Dealers based upon a recent decision of the supreme court in another state.

Order Comes Like a Bolt.
Every one of Des Moines eighty-eight saloons is dark tonight, following the decision of the supreme court this afternoon. The court decided unanimously that the saloon consent petition is insufficient because it is based upon the last general election instead of the municipal election. The saloons in the city are operated under a Mulct saloon consent petition circulated upon the basis of the last preceding general election. In the Fort Dodge case passed upon this month by the high court, the court held that petitions of consent circulated in towns above 2,500 must be counted on the basis of the last preceding city election, not school municipal bond or general election.

The application of this decision to Des Moines and the closing order came like a bolt. The saloon leaders decided to obey the order and an hour after the decision had been rendered, thirty patrons were being thrown into the street. There was a great deal of excitement but no disorder.

W. C. Barber, superintendent of the Iowa Antisaloons League declares that the decision will result in the closing of saloons in the larger cities of the state.

Counsel for the saloonists announced they will apply for a rehearing but admit that there is little prospect of its being granted.

Closes 3,300 Saloons.
Columbus, Ohio, Nov. 22.—Proprietors of more than 3,300 saloons in Ohio closed their places of business at mid-night tonight in accordance with the provisions of the state liquor license law which limits the number of saloons in "wet" territory to one for each 500 population.

The saloon keepers who quit business tonight had been refused licenses for county license boards. The majority of the saloons which will not be permitted to re-open are located in Cleveland, Cincinnati, Columbus and Toledo.

The license law has been attacked as unconstitutional by the rejected liquor men and arrangements have been made to carry a test case to the supreme court. Many saloon-keepers disposed of their goods tonight at "bargain counter" sales. In some places the cries of auctioneers were heard. Several well known wine-rooms closed their places with music and other attractions.

Liquor Sold by Bushel.
Bottled liquors were literally sold by the bushel here tonight when 200 saloons and wholesale liquor houses ended their last day in business because the proprietors failed to obtain a license. The saloons closed at 11 o'clock and will not be permitted to re-open. Bottles, containing all forms of liquors were thrown in bushel baskets and placed outside the saloons. Some of the baskets bore placards with this inscription: "Last chance. Only \$1.50 per basket."

PERMITS FOR STATE BANKS.
Springfield, Ill., Nov. 22.—Permits for three state banks issued today by state Auditor James J. Brady.

Benjamin Schiff, Samuel Shuster and L. E. Schiff will organize the Schiff & Co. State Bank of Chicago with a capital of \$200,000.

A. M. Bill, Harmon Cattlet, John Hettick, A. M. Gable and W. L. Bull will organize the State Bank of Scottville, at Scottville, Macoupin county, capital stock \$25,000.

W. E. Kreider, B. L. Hildebrand and J. J. Matten were given a permit to organize the Tonica State Bank at Tonica, LaSalle county, capital \$25,000.

PRESIDENT HONORS REES WITH IMPORTANT POST

Owner of State Register is Appointed U. S. Commissioner of Panama-Pacific Exposition—Wife Will Accompany Him on Trip.

Springfield, Ills., Nov. 22.—Thomas Rees of this city, owner of the Illinois State Register, leaves Springfield next Tuesday night for Washington to meet Secretary E. State Bryan before sailing next Saturday morning for Europe as United States commissioner of the Panama-Pacific exposition to the Mediterranean and Balkan states.

He will be accompanied by his wife and thereby hangs the story.

Some time ago Mr. Rees was tendered the post of South American commissioner to the Panama Exposition. He was ready to accept the position, because to accept the same would mean a long separation from his wife. It created considerable newspaper comment, papers in various sections of the country referring to him as a "model husband."

In view of the circumstances it is especially gratifying to Mr. Rees that the president has now seen fit to honor him with a more important post than was first offered him.

According to a message received today by Mr. Rees from Ira E. Bennett, representing the Panama-Pacific commission, the commissioners will sail from New York on the Steamer George Washington the morning of Nov. 29th, landing at Cherbourg, France, Dec. 6th.

The other members of the party in addition to Mr. and Mrs. Rees, will be Commissioner Walter P. Andrews and Mrs. Andrews of Atlanta, Ga.; Colvin B. Brown, director of domestic exploitations of the exposition.

**BLUE PRINT SHOWS PLANS FOR
CITY LIGHTS WITH TUNGSTEN SYSTEM**

Commissioner Brennan Uses Pins and Stickers to Outline Proposed Lighting Plans—A Lamp on Every Corner.

Another blue print has been prepared by Commissioner Brennan showing how lights would be placed on the city streets with the tungsten system. This blue print, which is now in the Journal office window along with others in various business houses makes it very plain just how the lamps would be distributed. After a careful investigation Mr. Brennan came to the opinion that the tungsten system would furnish the most equitable division of light and that it would make it possible to illuminate the entire city in this way. A lamp is planned for every street intersection and in long blocks at points other than intersections. The plan shows lamps stationed as follows: First ward, 167; second ward, 151; third ward, 151, and fourth ward 165, or a total of 634. This leaves 166 to use for boulevard lamps in the business district and at other points where they may seem to be needed.

The blue print in the Journal office window is worthy of an examination. Small white stickers show where lamps are now located and white headed pins where lamps will be placed if the bond issue carries.

**ILLINOIS GLEE CLUB TO BE
AT NORTHMINSTER CHURCH**

Well Known Chautauqua Organization To Appear This Evening In Sacred Concert.

The Illinois Club, which appeared on the program of the Jacksonville chautauqua last summer and will be remembered by many with favor, will give a sacred concert at Northminster Presbyterian church this evening at 7:30.

There will be no charge made for admission but a silver offering will be taken.

COMPLAIN ABOUT TRAFFIC LAW

Many complaints were registered Saturday from farmers against the new traffic ordinance. This is particularly true of residents from the Lynville neighborhood. They feel that requiring them to hitch horses in alleys is a hardship, as it is not safe to leave robes and whips or packages of any kind in the vehicles in such remote places. They argue that if the city is going to enforce such an ordinance that at least a city feed lot should be provided. The Jacksonville Creamery Company has recognized the need of a hitch lot for its customers and will this week put up the necessary racks in the lot adjoining their plant. Jacksonville certainly does need a spacious and well located hitch lot.

ATTENDED FUNERAL.

The following have returned to their homes after being in the city to attend the funeral services of Mrs. Margaret Mutch: Mrs. William Rose, and son Robert of Champaign county; Mrs. S. J. Tompkins and daughter, Pekin; Richard Parkins, Dayton, Ia.; Mrs. Alexander Mutch, San Herbert Rigg and Mrs. Margaret Sooy.

Waukesha, Wis., Nov. 22.—Lawrence College eleven won the second round championship of Wisconsin here today by defeating Carroll College 30 to 0.

DEBATE ON BILL BEGINS MONDAY

Administration Currency Bill Is Laid Before Senate by Divided Committee

FILE DIVERGENT VIEWS

Two Wings of Committee File Different Views on Bill and House Bill's Made Un- finished Business of the Senate

OWEN TO MAKE OPENING ARGUMENT

WASHINGTON, Nov. 22.—The administration currency bill with the amendments proposed by the divided senate banking and currency committee was laid before the senate today and debate on the measure will begin Monday. The two factions of the committee headed by Senator Owen and Senator Hitchcock filed their divergent views on the administration measure and the bill as passed the house was made the unfinished business of the senate.

Senator Owen will fire the opening gun in the debate for the administration forces.

His speech probably will occupy the entire day. On Tuesday, Senator Hitchcock will begin the attack on the administration's proposals in a speech setting forth the position of his faction of the committee. From Monday until the end of the special session a week of sessions will make set speeches discussing the currency reform problem. Although the administration finally has succeeded in getting the currency bill before the senate, other obstacles which threaten to delay the measure are apparent. December 1st, the senate will set aside the currency bill and then, by agreement, take up the bill giving San Francisco the right to obtain a water supply from the Hetch-Hetchy Valley. The measure will be disposed of by Dec. 6th, but on Dec. 8th, the senate has agreed to take up a bill giving the president authority to build a government railroad in Alaska. This may be set aside in favor of the currency bill. Senate leaders were not inclined to predict when the currency bill might be finally acted upon but it was declared certain that its consideration would run well into the next year, probably to about the first of February.

STATE'S ATTORNEYS HONOR MR. TILTON.

Responded to Toast at Annual Banquet in Chicago—Elected to Post of Vice President.

States Attorney Robert Tilton returned Saturday from Chicago where he went to attend the annual meeting of the Illinois States Attorneys association. The sessions were unusually well attended and the subjects discussed were of special interest. Mr. Tilton was honored by election to the vice presidency of the association. At the banquet held Friday night the Morgan County States Attorney responded to the toast, "A States Attorney in a Dry Town." The list of speakers was notable including the following: "The Court and the Prosecutor"—Albert C. Barnes, Judge of the Appellate Court, First District.

Address—Charles S. Cutting, of the Chicago bar.

"Extradition"—Maclay Hoynes—State Attorney Cook county.

"Legal Ethics"—Edgar B. Tolman former president, Chicago Bar association.

"Official Duty"—Johnson H. Lane states attorney Hamilton county.

"The Prosecution"—Everett Jennings, assistant states attorney Cook county.

FOUND PECULIAR CASE.

Dr. Charles Scott was yesterday called to the farm of Charles West to give attention to a steer suffering with lockjaw, or tetanus. The case in this was probably caused by a severe intestinal trouble. Dr. Scott in eighteen years of practice has never before encountered a case of this kind among cattle and will report it to the state veterinarian.

DOG KILLING TIME.

The police were kept busy yesterday answering calls for people who wanted dogs shot and eight canines were disposed of, among them the one that bit so many other dogs Friday.

MILLERS

PLANS FULLY COMPLETE FOR NEW CRAWFORD MILL

Building Will Be of Steel and Reinforced Concrete Construction—To Have Modern Machinery.

The plans for the construction of the new Crawford mill were completed some days since and the work of construction has already commenced. The main building will be 60 by 180 feet in dimensions and will be of steel and concrete. A portion of the concrete foundation is already in and some of the steel will be delivered Monday by the Illinois Steel Bridge company. The reinforced concrete walls will rise about five feet above the foundations and will be surmounted by glass windows extending up to the line of the roof. The rear will be a vast expanse of glass and the building will therefore be exceedingly well lighted. Eli Crawford and his sons Walter and Thomas are superintending and assisting in the work of rebuilding and no contract will be let. The new building must be incidental to the regular business which is being conducted and progress therefore will not be as rapid as might otherwise be true. The machinery to be purchased will be of the most modern kind and the new establishment will be one of the most up-to-date in this section of the state.

We have just made a 25 per cent reduction on some of the best styles of children's winter coats and wool dresses, for ages ten to fourteen years. F. J. Waddell & Co.

PHI NU GIRLS HAVE BANQUET.

Annual Feast is Enjoyed at Colonial Inn Saturday Evening.

Members of Phi Nu literary society of the Illinois Women's college enjoyed their fifth annual banquet Saturday evening at Colonial Inn and the occasion proved a most pleasant one. The guests were: Dr. and Mrs. Joseph R. Harker, Mr. and Mrs. Albert Metcalf, the Misses Vergin, Miss Ann Shipley, Miss Celia Cathcart, who was president of the society last year, and Miss Susie Wackerle.

After an elaborate menu had been served a program of toasts was enjoyed with Miss Mothershead as toastmistress. The toasts, four in number, were on the four verses of the Phi Nu song and were given as follows: first verse, Miss Irene Crum; second verse, Miss Margaret Neck and fourth verse, Miss Abby Peavoy. At the close of the program the Phi Nu song was sung.

PEORIA MANUAL VANQUISHED 39-6

J. H. S. PROVES SUPERIORITY ON GRIDIRON.

Visitors Were Outclasses and Out-generated at Every Point of the Game by Coach Buland's Steam Roller. Strawn in Spectacular Run on Fake Play.

Coach Buland's High school football steam roller went on a rampage Saturday afternoon on Illinois Field and fairly crushed the life out of Peoria Manual Training school, by a score of 39 to 6. Jacksonville outclassed and out-generated the visitors on all sides and long before the game ended the local athletes realized that it was only a dream about the erstwhile championship team of the Distillery City. That was some machine which Coach Buland perfected against the P. M. fellows and it was so well oiled that there was not much doing after it once got started. Picking out stars on the team would be like looking up the heavens on a clear night—all stars. The local line showed big improvement and the defense work was superb. The line most of the time being the "Stonewall" Jackson type. Football enthusiasts went wild in the third quarter, when Strawn on a fake play received the oval and ran nearly half the length of the field for a touch down. J. H. S. also made good use of the forward pass and it netted them big gains.

No Big Timber.
Peoria Manual failed to show on the local gridiron any of the big timber variety, which they were touted to possess. When once J. H. S. got after them, they showed up their line and ran their ends at will for big gains. Their interception of the forward pass was also poor and a regular attack of stage fright got hold of them when Strawn went down the field for a touch down, every visitor seeming to be stuck in his tracks. Unfortunately for Peoria two of their men had a head-on collision shortly after the third quarter. Triebler, left half and Wynd, left end, triebler got a bad cut on his forehead and Wynd had the flesh opened above his left eye. Both were taken down town where Dr. Weirich dressed their injuries. A few minutes after this quarter back Chamberlain, was blocked by Killbrow, receiving an injury to his neck and head. He also was hustled to town in an automobile and substitutes sent in were Alton, Denen and Dailay. The loss of these men took considerable of the "pep" out of the visitors, although they stuck to the contest with bulldog tenacity until the last whistle blew.

How the Scores Were Made.
Jacksonville kicked off to Peoria in the opening of the game and Haigh got the ball a minute later on a fumble. J. H. S. worked the ball down to the 2-yard line where Peoria secured it on a fumble. Peoria kicked out of danger and after a series of plays Peoria secured the oval on a fumble. Encouraged by the distance from goal the visitors played fast and hard and succeeded by line bucks and end runs to get the ball within six inches of Jacksonville's goal when they were held for downs. Reynolds booted the ball out of danger and the quarter ended with the ball on the 30-yard line.

In the second quarter, J. H. S. made the first touch down by the use of a forward pass, to L. I. Wood, Sutherland going over for the touch down. Reynolds kicked goal 7 to 0. Jacksonville again kicked off and Peoria secured the ball on a fumble. Peoria worked the ball down the field and full back Strauch was forced over the line for a touch down. Strauch failed to kick goal. Score 7 to 6. The quarter ended 40 seconds after this play.

Second Half of Game.
Peoria kicked off in the second half and the quarter had no more than started before the two Peoria players collided and retired. Alton and Denen going in their places. When the ball was again surrounded Strauch made his spectacular run for a touch down. Reynolds kicked goal. Score 14 to 6. J. H. S. second score made when Sutherland passed a pretty forward to L. I. Woods and after a splendid run netted another touch down. Reynolds kicked goal score 21 to 6. Just before the quarter ended Chamberlain, Peoria's quarter back was injured and Dailay took his place.

The fourth quarter brought Jacksonville's score up. J. H. S. worked the ball to Peoria's one-yard line when Peoria kicked, the kick being blocked and Sutherland falling on the ball back of goal, made score 27 to 6. L. I. Wood gave another demonstration of his ability at handling the forward pass making his third touch down. Jacksonville had no trouble in holding Peoria for downs so that the ball was always in the enemy's territory and threatening their goal constantly. By a succession of line bucks which started in the 20-yard line Killbrow went over for the final touch down, Reynolds failing to kick goal. Score 39 to 6.

In Line for Championship.
By defeating Peoria Manual yesterday J. H. S. has a good right to

participate in the Central Illinois state championship honors. Heretofore, Springfield has claimed this distinction but they defeated Peoria Manual by a score of only 7 to 0, and J. H. S. also defeated Lincoln 33 to 0 and the best Springfield could do with them was 19 to 0.
Jacksonville has a total of 160 points against 40. The 39 points won by Peoria Central against J. H. S. was when the locals sent up a team of half subs, just to keep from cancelling the game.
Here is J. H. S. record:
J. H. S. 33; Lincoln 0.
J. H. S. 6; Peoria 27.

LEARN THE SECRET OF KEEPING YOUNG

Good Digestion Necessary—Try Mi-na For Stomach Ills.
It is what you eat that causes most of your discomfort. Nearly all diseases have their origin in the stomach and bowels.

If you have coated tongue—nerves on edge, headache, heartburn, lack an appetite, and your stomach is sour, gassy and generally upset, you need Mi-na at once. It quickly and surely stops stomach misery. It is a digestive giving quick relief in acute stomach distress and second to none as a stomach and intestinal tonic to build up the digestive organs. It soothes the irritated membrane and increases the flow of the digestive juices so that the stomach is always ready to care for the food as nature intended.

If you over-tax the stomach and bowels they cannot properly digest your food and you are improperly nourished—your resistance is low—you are lacking in vitality—you grow old before your time.

Get a fifty cent box of Mi-na now—today—delays are dangerous. Always keep it with you at home or traveling. Druggist everywhere—Adv.

ORGANIZATION FORMED BY MILK AND DAIRY MEN

To promote the cause of scientific dairying in Morgan county an organization was formed Saturday at a meeting held at court house by a number of dairymen and milk producers. E. E. McPhail presided and called the meeting to order. A meeting was called at the same place two weeks from Saturday, at which it is hoped that a good portion of the 200 farmers engaged in producing milk as dairymen of Morgan county will be present. The officers elected were: President, E. E. McPhail; vice president, Will J. Moore; secretary, E. R. Stevenson and treasurer, L. T. Potter. A committee was appointed to draft a constitution and by-laws, consisting of L. T. Potter, E. R. Stevenson and R. James.

\$1.50 Linen Damask for 98c

This is by far the best value in Table
Linen that we have ever offered.

We direct the attention of churches, lodges, hotels, restaurants, institu-
tions and other large users of table linens to this item, believing that you
will find it a most profitable time to replenish the linen closets. Through
a special purchase we are enabled to offer three patterns in a 72 inch dam-
ask, which should retail at \$1.50 per yard, at the exceptionally low price
of 98c per yard. Napkins to match will also be on sale at \$3.98 per set.

"Dollie Mine" Christmas Doll. \$1

A beautiful Jointed Doll with real
hair, real shoes and real stockings.

Again this season we have the distinction of offering the best doll value in
Jacksonville. The little individual is named "Dollie Mine," only this year
she is made more beautiful than ever. Realeye winkers and lashes adorn
her face and she has added to her wardrobe real shoes and stockings. The
case we brought on last Christmas sold like the proverbial "hot cakes,"
and you Santa Clauses who have dolls to buy for this Christmas, had bet-
ter hurry to make sure of getting one.

As we begin this week preparation for the holiday trade our
weekly bargain sales will be discontinued for the rest of the year

MUNICIPAL LIGHT PLANTS IN ILLINOIS.

In the whole United States there are 5,723 electric light plants, and of that number 1,443 are municipally owned.

In the state of Illinois there are 369 electric light plants and 91 of them are owned by the municipalities where they are located.

The Utility of Public Service corporations maintain in Chicago a publishing department where high class employees are kept busy editing a paper and compiling pamphlets and statistics, practically all of which are directed against municipal ownership of light plants or other utilities. But in spite of this unceasing warfare of editorial matter designed to show that municipal ownership is a failure, the people of Illinois continue to maintain ninety-one municipal light plants.

Some of the plants are not conspicuously successful, but others are entitled to that term. Successful or otherwise, the people seem to set a value on these enterprises, for in any city or town where a municipal plant is maintained a Public Service Corporation stands ready to take over the business or is striving to get it. Here is the list of Illinois cities and towns now owning plants:

AN ILLINOIS MASK.

St. Louis Globe-Democrat: Mach-lavelli is at work in Illinois. How "the demon rum" in that state ever came to be beguiled with the notion that he could divide the female vote in local option elections is a tale which may never be told. Not so beguiled, he would have instituted a suit contesting the constitutionality of the limited female suffrage law passed by the late session of the General Assembly, in time to prevent the voting of women at the local option elections held in the early part of this month. Deluded with the preposterous idea that at least half of the women would vote with him, "the demon" craftily avowed his friendliness to votes for women and hoped the women would return the compliment.

His loss of nearly half a hundred "wet" strongholds has convinced him that the law is unconstitutional. And now he is entering upon the effort to have it so declared, with an intelligence sharpened by experience in over-confidence and its betrayal at the hands of an old enemy. Masking himself behind a number of property owners in East Peoria, he has challenged the validity of the law, not on the ground that the Illinois women voted so many wet towns dry, but that their votes, in the municipal corporation of East Peoria, sufficed to burden the people of that place with an oppressive improvement tax, which, such votes being unconstitutional, null and void, should not be counted.

The entire law is challenged in the East Peoria case. East Peoria is under the shadow of the great Peoria and Pekin distilleries. This may be a mere coincidence, but let the voting women of Illinois hush and be on their guard. They are now arrayed against

a foe who, after trying to jolly them, has recognized them as a foe worthy of his steel. Wherefore he now uses craft and tactics in welding his sword, instead of holding down his guard. If the ladies had divided their vote in the Illinois towns, the burden of taxes would not have made the people of East Peoria groan. It is a safe guess that the East Peorians will not know whether they will have to pay the tax until after the local option elections of next spring.

AN OBJECT LESSON.

Owning a municipal plant may in the distant future lead to such a state of affairs as now existing in Kansas City, Kansas.

The Kansas City, Kansas situation is explained briefly in the following editorial from the St. Louis Post-Dispatch and should be read with interest here at the present time:

"Here's a new instance of the way American city governments are taking hold of the idea that it is as much their duty to serve as to govern the citizen-stockholders:

"Kansas City, Kan., has a municipal electric light and power plant. It has been selling current to merchants and home owners for lighting at 6 cents per kilowatt hour.

"Now comes an announcement from the city hall of the town that it wishes to sell current for cooking. It offers to supply free electric stoves and sell current for them at 3 cents per kilowatt hour—one-half the lighting rate, as means of popularizing electricity for cooking. And the city expects to earn a profit at the 3 cent rate, after giving the stoves to the consumers.

"If Kansas City Kan., can make current from coal and sell it profitably at 3 cents per kilowatt hour, what excuse is there for the federal government permitting a private company to sell current created by its Keokuk water power at two and one-half times that rate?"

To own our own plant here in Jacksonville is the surest and safest way to protect the interests of every citizen. To insure this point we should vote to supply the money for the up-keep of the municipal plant.

HOW BONDS ARE ISSUED.

If the bond issue to provide funds for the rebuilding of the municipal light plant carries at the election to be held December 20th the commissioners will then employ an engineer to draw plans and specifications for the proposed work and an estimate will be secured on the basis of the plans prepared. If the estimate is not greater than the sum which will be available from the sale of the bonds then bids will be asked from the electrical equipment companies. At the same time the bonds will be offered for sale by competitive bidding, the reservation being made in the advertisements that the bonds must not sell below par, in fact the law requiring that the bonds bring par.

Wood and Oakley, Chicago bond attorneys, with a state-wide reputation prepared the bond and election ordinances and have outlined in full detail all action which the city council must take in order to be certain that everything in connection with the bonds is properly done if the people decide in favor of their issuance. This means that if the bonds are offered for sale it will be after they have received the O. K. of bond experts.

The specifications and contract for the rebuilding will provide at what time the money is to be paid for the work and the bonds will bear a date very close to the time when the money must be paid the contractors. This procedure will be followed in order that money may be utilized speedily after payment. By this plan no sum of any consequence could lie in any bank for more than a brief time. During whatever period this sum was in the bank it would of necessity draw interest at the rate of three per cent, in accordance with the commission form of government act.

While there is every reason to believe that the bonds would readily sell at par if money should be tighter than is now the case it would be legal for the council to let a contract payable in bonds. This is frequently done in the case of paving and other public improvements, the contractor agreeing to take the bonds at par.

Make good tonight with a box of Milady chocolates. Mullenix and Hamilton, East State.

CHARGED WITH ILLICIT LIQUOR SELLING.

Jacob Stoker of Arenzville was arrested Saturday by Chief of Police Davis charged with selling liquor in anti-saloon territory. Stoker who runs a saloon at Arenzville comes to this city several times a week and it is charged that he solicits orders for liquor, accepts the money at the time and then telephones his orders to Arenzville. Chief Davis believes he has a strong case against Stoker this time.

FINISH WORK

ON NURSES' HOME

**BUILDING AT PASSAVANT READY
FOR OCCUPANCY.**

Three Story Structure is Built Sub-
stantially on Latest Plans—Has
Large Sleeping Porch—Public In-
vited to See Home

One of the new and attractive
buildings, recently erected in the city
is the nurses' home at Passavant hos-
pital, which is rapidly being furni-
shed and will be ready for occupancy
by next Wednesday. It is doubtful
if there is another building in the
state, erected for a similar purpose,
which is more commodious, better
constructed than the one which today
faces Brown street, and it is certain
that no building has been erected in
Jacksonville which has filled a longer
felt want and is more keenly appre-
ciated by the hospital management
and friends of the institution. When
the building was first conceived it
was thought to put into it about
\$10,000, but it was found that it
would require nearly \$12,000 to do
all that was needed.

One should visit this new home
really to gain an idea of its attrac-
tiveness and this opportunity will be
given Tuesday afternoon, when the
public will be cordially invited to in-
spect it. Outwardly it would almost
give one an impression of a bungal-
ow, with its reddish brick and broad
eaves. But it is three stories high
and has a basement, so that it cannot
properly come under the head of
bungalow. However, the designers
had comfort, light, cheerfulness, so-
lidity in view in its building and
these points are in evidence through-
out.

Speaking in figures, the building
is thirty by fifty feet and as previ-
ously mentioned, three stories in
height. Lets take a walk through its
various apartments. As one enters
from the west doorway a short hall
way leads to the large reception
room, which is to the left. It is well
lighted, commodious and is already
beautified by some handsome furni-
ture and bookcases. Here is also
found the magnificent large fire place
with its shelf extending its entire
length. To the left as one enters the
building is a smaller reception room,
which may be used in case the larger
one is occupied.

Back of the large reception room
are found the apartments of the di-
rectress, which office is now held by
Miss Emily Paul. Here are a sitting
room, a sleeping room and a private
bath. Leading to the north is a hall-
way, where entrances are made to
the nurses' rooms. These apart-
ments throughout the entire building
are neatly arranged and each has a
large closet. There are four rooms
on the first floor, which will accom-
modate six nurses. On the first floor
is also found a kitchenette, which is
neatly fixed up in both cold and hot
water, a small stove, cupboard and
everything handy in case a small
meal is desired.

On the second floor there are four
double and four single rooms, the
hallway here running north and
south. A bath suite of the apart-
ments is arranged at each end of the
hall. Here is also found a room to
be used exclusively for linens. The
shelves extend to the ceiling and all
is very handsomely arranged.

The third floor contains one single
room and three double rooms, also
a bath suite. One of the attractive
departments is the sleeping porch to
the south. It is twenty by thirty feet
and has windows on three sides.
These windows are easily dropped
and the entire porch is screened off.
The ceiling and flooring is of hard
wood and it will be easy to accom-
modate twenty to twenty-five cots in
the room. The broad eaves make
a fine protection for the porch. The
woodwork in the entire building is
finished in oak stain and hard wood
floors are in every room. The win-
dows are of the French casement.

There is a concrete basement un-
der the entire building. Here is
found a long truck rack extending
the entire length of the building, on
the west side. To the east is the
laundry room, with its basins and
other paraphernalia and to the north
is a place for the coal and fuel. The
room. The broad eaves make
the basement.

The architect of the building was
J. K. C. Pierson, builder, Joshua
Vasconcellos & Sons, brickwork and
plastering, Robinson Bros; heating
and plumbing, Bernard Gause; paint-
ing, S. L. Biggs & Son.

How did such a beautiful nurses'
home ever come to be built would
perhaps be a query to those who
were not acquainted with the facts
in the case. About four years ago
S. W. Nichols became ill to such
extent, that an operation was neces-
sary and always being friendly to
the hospital, went there for treat-
ment and care. And it was splendid
treatment he received, too, which, af-
ter leaving the institution started
him to thinking. During his medi-
cations there passed before his mind
crowded conditions at the hospital
for the nurses and the urgent need
for a place that they might call
their home. As the outgrowth of this
philanthropic thought the building
was planned and today is a reality.

The building, the heating plant,
lighting, walks, grading and every-
thing connected with the building
itself are all the gift of the one in-
dividual while the furnishing has
been undertaken by the hospital aid
society and fine progress has
been made in that line. While
many in the past have contrib-
uted to the hospital in various ways,
the nurses' home will long remain as
a witness of the great love, faith and
well wishes of its donor.

WOMAN'S COLLEGE NOTES.

The Illinois Woman's College
Guild will hold a bazar Monday, Dec.
15th, using the first floor of Harker
hall for this purpose. All depart-
ments of the home will be represent-
ed. The proceeds of this bazar will
be used to purchase books for all
departments of the college library.
Friends having articles that can be
sold at this bazar are asked to con-
tribute them.

Rev. E. B. Houck is spending a
few days in St. Louis and southern
Illinois in the interest of the college.
By a unanimous vote the house
students decided to adopt the stu-
dent government regulation of all
the activities in the college home.

The state Epworth league cabinet
is called to meet in Jacksonville next
Friday, Nov. 28th, and will be
guests for supper at the college. The
cabinet is called here to consider
Nichols park as a permanent loca-
tion for the state Epworth league in-
stitute which is held annually some-
time in July and which has hereto-
fore been held at Quiver lake.

The annual Thanksgiving celebra-
tion will be observed on Thanksgiv-
ing day according to custom that has
been in vogue at the college for a
number of years. An interesting
program has been arranged and a
delightful time is in store for all the
students and faculty.

College of Music Notes.

The 50th anniversary of the dedica-
tion of the National cemetery at
Gettysburg was appropriately cele-
brated Wednesday last at the morn-
ing chapel. After a few introducto-
ry remarks by Dr. Harker, Miss Al-
len read Walt Whitman's "Captain,
My Captain." Miss Beebe sang De-
Koven's setting of the Reconciliation,
and Miss Editha Parsons read Lin-
coln's immortal Gettysburg speech.

Miss Beebe left yesterday for
Belleville to spend the week end with
Miss Nora Alexander, a former I. W.
C. girl. She will sing at the Presby-
terian church this morning, where
Miss Alexander is organist.

The new piped organ at Franklin
was dedicated Friday evening. Miss
Myrtle Larimore presented an inter-
esting program, which showed to
great advantage the possibilities of
the instrument. She was assisted by
Miss Helen Jones, contralto, who was
in fine form.

The Y. W. C. A. quartet, composed
of the Misses Pouton, Berryman, Sla-
ten and H. Jones, will sing at the
Baptist church this evening.

Miss Fern Hartsuch, soprano, and
Miss Mary Shastid, pianist, appeared
on the program of the Gleaners Sun-
day school class at Northminster
church Thursday evening.

**DEATH CAME QUICKLY TO MRS.
PFELL IN ST. PAUL HOSPITAL.**

Marriage Last July Had Been Kept
a Secret and was to Have Been
Announced at Christmas Time.

J. C. Pfeil of Arenzville recently
received a telegram announcing the
death of Mrs. Clarence Pfeil in a hos-
pital at St. Paul. Mrs. Pfeil had vis-
ited in Arenzville last summer and
many in that vicinity will hear with
sorrow of her sudden death. The St.
Paul Dispatch made the following
notice of her death:

"Instead of acting with his young
bride as host to a merry throng of
Christmas revelers, to whom their
marriage was to have been announ-
ced, Clarence C. Pfeil, the young
husband of Mrs. Isabelle Pfeil, who
died yesterday at Bethesda hospital
of a nervous disorder and heart
trouble, will return broken hearted
to North Dakota, where the couple
had planned to make their future
home. Death, which swept away
his most cherished plans, also re-
vealed the romance which has been
kept secret since July 20, when Mr.
Pfeil and Miss Isabelle Vielleux
were married at the Cathedral.

"They had kept their marriage se-
cret and intended to announce it
Christmas day, at Mr. Pfeil's home
in Arenzville, Ill., but during her
illness Mrs. Pfeil asked that her
husband be summoned from North
Dakota and the message was dis-
closed. Since her marriage Mrs.
Pfeil has been living at the home of
her parents, Mr. and Mrs. G. A.
Vielleux, 25 Fuller avenue.

"Mr. Pfeil came to St. Paul from
Arenzville, Ill., three years ago.
He met and wooed Miss Vielleux,
and she consented to be his wife.
At her request the marriage was
kept a secret. In the meantime the
young husband had gone to North
Dakota to establish a home, where
he intended to take his bride after
Christmas."

OPENING OF THE NURSES' HOME.

Names of Those Who Have Thus Far
Shown Special Interest in New Ad-
dition to Passavant Hospital
Equipment.

Less than two years ago a very
warm friend of Passavant hospital
felt the need of more room at the
hospital in order to provide proper
quarters where the nurses might rest
and be at home when off duty. In
consequence, the friend mentioned,
S. W. Nichols, started the movement
which resulted in the building of the
home. This building will be greatly
appreciated not only by the nurses
it directly benefits, but all who are
in any way connected with the hospi-
tal. If one stops to think, it can
readily be seen how important proper
rest and recreation is to the nurse
if she is to give efficient service and
be in happy and contented mind.

With the encouragement of the su-
perintendent, Miss Verner, the ladies
of the Hospital Aid society took the
matter into consideration and decid-
ed it might be possible for them to
do something in the furnishing of
this home. So with the assistance of
the Passavant alumni nurses and
other friends considerable has been
accomplished and we hope this good
work may prompt many others to
lend a helping hand. All who are in
any way connected with the hospital
feel very grateful to the friends who
have assisted with this work and
hope that others will be glad to do
their part when they see that the
furnishing is not yet complete.

We most cordially invite all
friends to visit the home Tuesday,
Nov. 25th, when it will be open to
the public, that all may have an op-
portunity to see what has been done
and what is still to be done. We ask
each one of you to consider this work
a part of your work. Passavant hospi-
tal belongs not to a few, but to the
people of Jacksonville, therefore
we ask your co-operation in this good
work. For the benefit of those wish-
ing to know, we wish to say that the
nurses' home has been furnished

TOP-SIDED VICTORY OF CHICAGO STARS LEAVES

NO DOUBT OF THEIR RIGHT TO TITLE

Gray's Long Run in Spectacular Feature of Game the Staggs Warriors Take 19 to 0--Minnesota Proves Too Strong for Illinois Winning 19 to 9 in Open Play Battle--47,000 Enthusiasts See Harvard Defeat Yale by Score of 15 to 5.

STAGG FIELD, Chicago, Nov. 22.—Outclassing, outgaming, and outkicking their opponents, Chicago football stars beat Wisconsin 19 to 0 today and captured the undisputed title of conference champion. Battering the Badgers to bits the maroons wound up one of their campaigns with victory so lop-sided that it left no doubt of their title to the game.

The Maroons played a steady, machine-like game. Norgren's long punts were important factors, dives into the line by Pierce and Gray clinched the score when end and tackle runs made them possible and a great run of eighty-two yards for a touchdown by Gray, who had intercepted a forward pass, was the spectacular event of the game.

Gray's run turned a possible Wisconsin touchdown into one for the Maroons. The Badgers had the ball on Chicago's twenty-yard line and with four yards to make in one attack. Quarterback Bellows tried a pass. Gray leaped into the air, pulled down the oval—only Bellows between him and the Badger goal and by a long sweeping run he eluded the Cardinal quarter outsped Ostie and planted the ball behind the posts. Rain kept the crowd nearly to the seating capacity, extra stands taking care of 24,000 persons. Probably 25,000 spectators were present.

Field Was Slippery. The field was slippery but its covering of hay had kept it from becoming soft and the rain had ceased before the game started. The first quarter had run less than five minutes when the Maroons pushed over the first touchdown. Norgren's great punt with the wind behind him outdistanced the boots of Landberg and Bellows and a brief interchange put the ball in Chicago's possession, a few yards inside Badger's territory.

A forward pass and a double pass brought the ball ten yards from the Wisconsin goal, but a fumble which gave the oval to the Badgers delayed the score. Sticking close to the side-lines the Maroons pushed Norgren over for the touchdown, the kickoff was missed. A thirty yard run by Bellows started a rally late in the first quarter that nearly put the Badgers in the scoring. Buck bored big holes in the Chicago right wing and through it the Wisconsin backs carried the ball to the Maroon 10-yard line. Here, holding in the line resulted in the ball being awarded to Chicago and Norgren drove it sixty yards down the field and out of danger.

A series of forward passes, most of which went wrong were tried by the Maroons next. Three of them failed in succession when a successful one might have gained another touchdown.

Gray's spectacular run was about the most disastrous termination of a forward pass that Wisconsin had. The ball was on Chicago's 20-yard line, near the close of the second quarter and the Badgers had four yards to gain in one attempt. Bellows took the chance for a touchdown, a field goal being impossible from the angle and hurried the ball where he thought Ostie would be. Instead of Ostie it was Gray who grabbed the ball, sped toward the goal easily outdistancing Bellows and Ostie who had made after him. He caught the ball on the Chicago 18-yard line and ran the eighty-two yards to the line planting the ball back of the post, and goal kick was easy.

Touchdown, No. 3, came in the third quarter. Again a Wisconsin rally was stopped after the Badgers had made first down three times and the Maroons started Norgren, Russell, Gray and Pierce driving the Badgers back in a brief series of "straight football" plays. Harris missed the goal from a difficult angle after Pierce had crossed the line. Twice in the last period fumbles prevented possible Wisconsin scores.

Minnesota Wins From Illinois.

Champaign, Ills., Nov. 22.—Minnesota won from Illinois today by a score of 19 to 9, after a desperate battle, probably the most open ever played in the west. Both teams used the forward pass most of the time, the Gophers early learning that the tactic was their only chance to penetrate to the orange and blue goal.

Illinois, after three touchdowns had been scored by the men from the north, came back strong in the last period and roused the Gophers off their feet, scoring one touchdown and keeping the invaders in hot water the rest of the time.

First Period.

Minnesota won the toss, chose to defend the north goal giving Illinois advantage of slight south wind. Rowe kicked to Tollefson who was downed in his tracks. Illinois took the ball on downs on the Gophers' 20-yard line. Minnesota intercepted a pass on the third down but could not gain first down. Shaughnessy punted into Illinois' territory and Rue and Schobinger each gained about three yards.

Rowe punted to Tollefson who was downed by Graves.

Wagner ran back Minnesota's next punt to the 15-yard line. Rowe tried a goal from placement from the 20-yard line which was blocked but recovered by Illinois. Again Rowe dropped back for a place kick, and was successful from the 25-yard line.

Minnesota made first down for the first time, Shaughnessy carrying the ball.

Lawler was injured and was taken from the game.

Second Quarter.

Schobinger started with five yard smash off tackle and repeated second play making first down. Rowe punted but McAlmon fumbled. Illinois recovered the ball. Minnesota took the ball on the fumble on their 30-yard line and punted. The Gophers played a defensive game during the first part of the second quarter, Minnesota executed their first successful pass for a gain of 30 yards, Isolon receiving the ball.

On the next play another forward pass, Tollefson to Solon gave the Gophers a clean field and touchdown. Solon failed an attempted goal.

Minnesota again pulled off three forward passes for thirty yards. The Illinois secondary defense seemed unable to cope with the Gopher forward pass artists. Minnesota failed to puncture the Illinois line as the quarter ended, Shaughnessy tried a drop kick but fell far short, Rowe receiving the kick.

Third Quarter. Minnesota kicked to Graves, Rowe punted on the first play. The Gophers were penalized 15 yards for holding.

On a forward pass, Rowe to Wilson, Illinois gained forty yards and came back with another, Rowe to Wagner for ten more. On next pass Tollefson intercepted the ball and punted to Wagner on next play.

Illinois tried three forward passes and then punted.

Gophers completed a pass, Shaughnessy to B. Bierman, for twenty yards. Sheriff replaced Schobinger at right half. Minnesota carried the ball thirty yards for a touchdown, McAlmon going over in three downs.

Both teams gained much ground on forward passes. Mansche replaced Fullerton of Illinois at left guard.

The quarter ended with Minnesota in possession of ball on Illinois 47-yard line.

Fourth Quarter. By forward passes and end running, the Gophers advanced the ball to Illinois' six yard line where the Illinois took the ball on downs.

Rowe punted from behind his own goal to the 35-yard line. Armstrong replaced Wilson at right end for Illinois. Tollefson failed on a drop kick from the 35-yard line.

Minnesota again started open game play and walked down the field on forward passes. Rowe and Wagner were replaced by Carpenter and Silkman. Illinois took a brace and attempted to score by using open plays and forward passes. Minnesota was penalized 15 yards for holding on next play. Silkman passed over the goal line and the Gophers punted from 20 yards line. Illinois once more fought to score, Carpenter running 20 yards on a forward pass. Forward pass, Silkman to Carpenter gave Illinois a touchdown after Illinois marched steadily down the field. Graves failed at goal. On three plays Illinois ran wild down the field placing the ball on Minnesota's 35-yard line. A touchback from a forward pass over the goal line gave Minnesota the ball on the 20-yard line. The game ended with the ball in Illinois' possession on their 45-yard line.

Harvard Wins By Kicking.

Cambridge, Mass., Nov. 22.—The Harvard football team of 1913, in the presence of 47,000 enthusiasts, with Full Back Charles E. Brickley playing in the stellar role, established a new epoch in Crimson gridiron history today by defeating Yale for the first time in the stadium by a score of 15 to 5.

Although twenty points were scored by the two eleven, neither succeeded in carrying the ball across the other's goal line and all the points were the result of kicking. Seven times Brinkley drove the ball over the heads of Yale players and so accurate was his aim with eye and toe, that five times the ball crossed the goal bar for Crimson points. Four times Guernsey, Yale's field goal kicker essayed the same feat but only once did the leather cross Harvard's goal.

To the EH's earned three points, there was added an unearned two due to an unintentional safety by Left-end O'Brien of Harvard.

Thus thanks to Brickley's splendid kicking ability did Harvard defeat Yale for the second time in two years and with undisputed right to the eastern inter-collegiate football championship of the year. Excellent and spectacular as was Brickley's play both in running and kicking, however, the fact remains that the splendid machine that Coach Haughton developed this autumn, earned equal glory with the famous drop-kicker, for it was the concerted play and efforts of the eleven men as a whole that paved the way for the situations from which Brickley scored the fifteen points that stand tonight as Harvard's record against the blue. That Guernsey on the other hand failed to approach Brickley's feat was due almost entirely to the fact that the team in front of him could not hold or drive back the Crimson to a point where field goal kicking passed from the improbable to the possible. Stated briefly, Harvard played a well balanced game, in both offense and defense in which the best and most conservative parts of the new and old football were successfully combined. Opposed to this was a Yale game that would undoubtedly have won under the "five yards in three downs" days, but was absolutely unsuited to win against the Harvard eleven of 1913. The victory of the Crimson, therefore, was as much a victory for the Harvard coaching system as it was for the Crimson players. That it was a Harvard victory in every sense of the word, devoid of flukes or unquestionable features is eloquently proved by the figures and statistics of the game play by play. In ever department the Crimson surpassed the blue and there was ample reason for the unrestrained enthusiastic rejoicing in Boston and Cambridge tonight.

Harvard in all gained 229 yards and nine first downs in 57 rushes against Yale's 154 yards and six first downs in 41 rushes. Mahan gained 777 yards in 16 punts to 452 yards in the combined thirteen punts by Guernsey and Knowles.

Brinkley kicked five goals out of seven tries to Guernsey's one goal in four tries.

Harvard ran back Yale punts 133 yards against 59 yards thus regained by the EH backs. In penalties Yale lost thirty yards for holding and rough tackling to Harvard's five yards for offside play.

Mud Forces Open Play. Columbia, Mo., Nov. 22.—On a field so muddy from recent rains that both teams were forced to resort to open play, the Missouri University football team defeated the University of Kansas in their annual battle here today by the score of 3 to 0.

The score was made in the second quarter on a field goal from replacement by McWilliams who booted the ball twenty yards.

Notre Dame Easy Winner. St. Louis, Mo., Nov. 22.—Crumbing in the final quarters this afternoon the Christian Brothers College eleven went down in defeat before the rushing Notre Dame team, score 20 to 2. It was the purple and gold's first defeat in two years.

Army 14; Springfield T. S. 7. West Point, Nov. 22.—Two touchdowns and a safety totaling 14 points was the Army's score in its last home game of the year today with the Springfield Training School eleven. The visitors scored seven points on a touchdown and goal. The cadets used many substitutes, the coaches giving the regulars but a short session with the Navy game in view next Saturday.

Nebraska Wins From Iowa. Lincoln, Neb., Nov. 22.—Nebraska for the second time this year demonstrated its superiority over a team representing the western conference and defeated the Iowa university eleven in a game marked by frequent fumbles, by a score of 12 to 0.

Iowa was able to work its famous "soread play" in but one period, the third. Receiving the ball on their own 10-yard line on the kickoff, Halenbeck's kick, Penningroth, full-back McGinnis and Quarterback Gross carried the ball to the Nebraska one yard line for first down. Four assaults were made on the corn hucker line, but the Nebraskans held and the Iowans were unable to hurl themselves through the line to close the goal. Line smashes were resorted to by the Nebraskans throughout the greater part of the game and after recovering the initial kickoff, which was a trick play, the corn huckers worked the ball into Iowa territory through the line plunges of Half-

backs Purdy and Rutherford and around end dashes of Halligan until Rutherford was sent over the goal.

It was a bitterly fought battle after that. The fumbling of both teams was frequent both losing many yards. The injury to Houghton, the Iowa center early in the game prevented accurate passing and this was responsible for the frequent losses of the ball by Iowa. Three times Nebraska was within the Iowa 25-yard goal in the last period and Captain Purdy was finally sent over. The 35-yard run of Dick's in the last quarter after which Iowa was held, for downs and followed by Purdy's 23 yard dash were among the spectacular features of the contest.

Purdue Outclasses Indiana. Bloomington, Ind., Nov. 22.—Purdue won from Indiana 42 to 7 today in the fifteenth annual gridiron meeting between the two universities. Oliphant of the Purdue eleven ran eighty yards for a touchdown after he had plunged, dodged and squirmed through a broken field for forty yards before he was clear. Four of Purdue's touchdowns were made on forward passes.

The game was the last for Indiana under the leadership of Jimmy Sheldon who three weeks ago announced his resignation as coach.

ILLINOIS COLLEGE NOTES.

Principal W. L. Harris of Whipple academy and Prof. R. H. Tanner of the classical department, went to Champaign Thursday to attend the high school conference.

On account of the students' meeting, which comes regularly on Wednesday, the semi-centennial of the Gettysburg address was observed at Illinois college by appropriate exercises on Tuesday. President Rammelkamp delivered a short address on the Gettysburg address and the circumstances of its delivery.

Prof. R. H. Tanner has been invited to read a paper at the meeting of the State Teachers' association in December on the condition of classical studies in high schools and colleges in the middle west.

The College Glee club has been practicing regularly under the direction of Mr. William J. Kirby. The club is planning to make a trip sometime in December.

The board of trustees of Illinois college held a meeting last Tuesday. Several matters of routine business were transacted. The board voted to remove the stage and dressing rooms in the west end of the gymnasium and to extend the floor over this space. This is an improvement that will be of great advantage to the basketball teams. A portable stage will be constructed for use when occasion may demand it. The board also granted the request of the college Y. M. C. A. for a suite of rooms in the dormitory. The board also considered the advisability of changing the lighting system in the gymnasium from gas to electricity. Mr. J. J. Degeen of Virginia was in attendance at the board meeting.

The members of the Sigma Pi Literary society were invited to the home of President and Mrs. Rammelkamp during the intermission in their meeting Friday evening. After enjoying some refreshments the boys returned to the society rooms for the regular debate of the evening.

AND ILL. COL. NOTES
The Junior class is making arrangements for a promenade which will take place the Friday night before Christmas.

Conservatory Notes.

Mrs. Wilson has been engaged to give a song recital at Chandlerville on Saturday evening, Nov. 29th. Marguerite Butler will play her accompaniments.

Mr. Kitch and Mr. Munger will spend the Thanksgiving recess, Thursday, Nov. 27, to Monday, Dec. 1, in Chicago, where they will attend the grand opera. Mrs. Wilson and Mrs. Bullard will remain in Jacksonville over Thanksgiving and will take part in the union service on Thanksgiving day to be held in the Congregational church. Miss Jerauld will be at her home in Vandavia.

Mrs. Wilson will sing at the afternoon chapel service at the School for the Blind today. Mr. Munger will accompany her.

Inez Pires and Mary Daniels played piano solos and Flossie Cox sang at the Northminster church on Thursday evening, Nov. 20.

Dean Cochran will play the Romance from the second suite by Ries for violin at the Christian church this evening.

CLEANSES YOUR HAIR

MAKES IT BEAUTIFUL

It Becomes Thick, Wavy, Lustrous and All Dandruff Disappears—Hair Stops Coming Out.

Surely try a 'Danderine Hair Cleanse' if you wish to immediately double the beauty of your hair. Just moisten a cloth with Danderine and draw it carefully through your hair, taking one small strand at a time; this will cleanse the hair of dust, dirt or any excessive oil—in a few minutes you will be amazed. Your hair will be wavy, fluffy, abundant and possess an incomparable softness, lustre and luxuriance.

Besides beautifying the hair, one application of Danderine dissolves every particle of dandruff; invigorates the scalp, stopping itching and falling hair.

Danderine is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its exhilarating, stimulating and life producing properties cause the hair to grow long, strong and beautiful.

You can surely have pretty, soft, lustrous hair and lots of it, if you will just get a 25 cent bottle of Knowlton's Danderine from any drug store or toilet counter and try it as directed.—Adv.

W. E. McClanahan of Girard was among the business visitors in the city yesterday.

FEW AT WORK AT WABASH SHOPS.

Sixty Men Let Out, Most of Whom Are Out of Employment.

The dissolution of the Springfield Wabash shops is almost complete. It is stated that the majority of the number from all departments of the shops, round house, machine shops, erecting floor and office, were not transferred to Decatur, but are in the city out of work.

This last depletion of the force at the shops leaves only a score or more of men for the purpose of making running repairs. Next week the big air compressor used in the compressed air hoists will be removed, and smaller pumps capable of furnishing only a limited amount of pressure, will be substituted. This change will make it difficult for the shops to take care of large jobs, for the small pumps can not supply air enough to handle big loads.

Ducks
Are Fast

But the man with a Stevens Repeating Shotgun, No. 520, in his hands need not care how fast they are flying.

With this lightning-like Repeater you can afford three misses and still have plenty of time to get three more shots in before the flight is over.

The quickest, most natural-pointing gun in the world. No hand is fast enough to balk the perfect mechanism of the Stevens 520.

Our stock of Guns, Rifles, Hunting Coats, Shells, etc., is very large and complete. We have the favorite trap loads in smokeless and black powder shells in all gauges and loads.

DUCK BACK CLOTHING

We are headquarters for this well known line, and stock a complete line of Coats, Vests, Pants, Hats and Caps.

OUR BIG STOCK OF HUNTING CLOTHING
IS COMPLETE

We can please you as to quality and price. Ask the man to show you our DUXBAK Cravenettes and Macknaws.

REVOLVERS

Large assortment, all sizes and styles. We make a specialty of Colt's and Smith & Wesson's for policemen and sheriffs.

If you are a hunter don't fail to call and look

BIG LINE STEWARDS TO MEET.

New York, Nov. 22.—Some important matters relating to the next season of harness racing are to be discussed tomorrow, when the stewards of the Grand Circuit race together at the Holland house in this city for an informal meeting. Detroit wants to be restored to its old place as the initial link in the circuit and several other members, dissatisfied with the results of the past season, would like to see a rearrangement of dates for next year. Readville, Mass., which dropped out last year in favor of New York, will likely be taken back. The Narragansett track at Providence, which discontinued racing several years ago, has applied for readmission to the circuit. The schedule, which may have to be enlarged to include these two tracks, will be gone over at tomorrow's meeting, but will not be adopted until the stewards hold their regular annual meeting in January.

WOMAN'S DANGER PERIOD

Is said to be from 45 to 50. What should be a most natural change in a woman's life is, on account of modern methods of living, fraught with most annoying and painful symptoms. Women when passing through the critical period should rely upon Lydia's Pinkham's Vegetable Compound, as it has proved wonderfully successful in carrying women safely through the change of life.—Adv.

FOURTEEN KILLED IN 1913 FOOTBALL GAMES

SEASON'S LIST OF INJURED GRIDIRON WARRIORS IS REPORTED TO BE 175.

Year's Record of Casualties is Slightly Below That of 1912 When 13 Players Were Killed and 183 Injured—Only Two University Players are Killed.

CHICAGO, Nov. 22.—Fourteen players were killed and 175 were injured in football games of the season which virtually closed today. This record of casualties is only slightly below that of 1912 when 13 players met death and 183 were injured.

These figures were compiled from press reports published here today. The injured include only those who suffered broken bones, torn ligaments, severe strains and sprains and internal injuries. Of the 14 deaths, 13 succumbed to injuries sustained this year. Charles Sweitzer formerly a damline University player, died November 17, at St. Paul following a complication of diseases resulting from injuries several years ago. Other fatalities with few exceptions resulted from fractured skulls, broken necks or spinal injuries. Only two university players were killed. Vernon Belyea of the Norwich, Conn., varsity was thrown heavily in a game with Holy Cross and died three days later. Edmund Morrissey, captain of St. Ambrose varsity suffered a broken leg Sept. 25th and died of blood poison.

The high school players who lost their lives were John Lewis of Cambridge, O., Allen Weldman of Minneapolis; Marcus Dunlap of Vermillion, S. D., and William McCartney of Lawrence, Mass.

Albert J. Kramer of Kankakee was the only player killed in Illinois.

George H. Gay, former player and coach at Ursinus and who lived at Blackton, Mass., died Nov. 4th, from a broken neck received in an independent game. Hall Warner, who attended public school at Kalamazoo, Mich., met a similar death October 16th.

MOTHER TELLS

How Her Little Girl was Restored to Health.

Mrs. Chas. Schrieffer of 139 Himrod St., Brooklyn, N. Y., says: "My little girl was frail, sickly and all run down after having had the grippe. I was advised to give her Vinol and after the first bottle noticed an improvement. She has taken four bottles and has picked up rapidly, having gained six pounds in three weeks."

The reason why Vinol builds up weak, ailing children so quickly is because it contains in a delicious combination the two most world famous tonics—i. e., the strength creating, body building elements of cod liver oil, with all the useless grease eliminated and tonic drop for the blood added. If you have a weak, puny, ailing child, try Vinol on our offer to return your money if it fails to benefit your little one—Lee P. Allcott, druggist, Jacksonville, Ill.

P. S.—If you have the Eczema try our Eczema Salve. We guarantee it—Adv.

WILL DECIDE CATTLE QUESTION

Governor Dunne now is debating the proposition of issuing a proclamation demanding that all cattle coming into Illinois for dairy purposes shall be accompanied by certificates of good health.

Some time ago the governor first considered the matter, at the request of members of the state livestock commission, and Dr. O. E. Dyson, the state veterinarian. As soon as his plans became known, the State Dairymen's association hurried a protest to the governor, who requested that organization to submit its protest in writing. It did so, and yesterday Doctor Dyson replied. Now the governor is considering the matter from both angles.

MINNESOTA RUNNER SETS NEW RECORD FOR FIVE MILE COURSE

Team Mates Are Unable to Follow Watson's Pace and Wisconsin Wins Meet, Minnesota Finishing Sixth.

Columbus, O., Nov. 22.—Covering a five miles course in 26:44 1-5, Watson of Minnesota established a new record in the ninth annual Western conference cross country meet held today at the Ohio State university. However, his teammates were unable to follow the pace set by their leader and Minnesota finished sixth, Wisconsin, Illinois and Ohio State capturing first, second and third places respectively. The previous record for the five mile course was 27:27. Eleven colleges were represented. Kansas and Nebraska did not send teams.

The team scores follow:

Wisconsin	72
Illinois	83
Ohio	106
Ames	109
Purdue	117
Minnesota	147
Indiana	174
Northwestern	176
Dennison	177
Chicago	199
Iowa	243

Cornell Runners Win.

New York, Nov. 22.—Cornell's runners won the team honors in the sixth annual crosscountry championship run of the inter-collegiate association of amateur athletics of America, over the six mile course at Vancortlandt park today while the individual honor and first prize went to R. S. Boyd, captain of the Harvard team. Boyd finished about 100 yards ahead of J. H. Hoffmire, Cornell, who was second thirty yards in front of W. M. McCurdy of Pennsylvania, the third man. The winner's time, 34:37, is nearly 67 seconds behind the record of 33:50 1-5 established just a week ago.

MEETINGS AT GRACE CHAPEL.

Rev. A. Cain, the new pastor of the Concord circuit, M. P. church, is at present conducting revival services at Grace Chapel and the meetings are being well attended. Each night there are special singing services by the choir and the meetings are so far encouraging and much is hoped for from them. Mr. Cain is doing good work on the circuit and he will be encouraged by the success of the meetings at the chapel.

REDUCE THE COST OF LIVING

C. J. Brand of the Department of Agriculture in the address before the American Association of Colleges a few days ago said: "Our department is advocating more direct buying to reduce the cost of living."

This means that the U. S. government recognizes that one of the main factors in the high cost of living is the paying tribute to one or more middlemen, each of whom add to the actual cost a certain amount of expense for profit. Until the article is finally in the hands of the consumer, it costs him two or three times as much as the original producing cost. Therefore, when buying from us you buy direct.

We are the producers and sell direct. We take the raw materials, cloth linings, etc., which we buy direct from the mills, cut and make your garments, deliver them to you direct without your paying one cent tribute to the middlemen.

You are paying only one expense—one profit.

You are leaving almost all of your money at home.

You are giving work to a dozen families and as many more helpers.

You are getting a garment tailor-made to your measure for the same or less than you pay for others.

You have a garment which we guarantee will look as well after a season's wear as when new.

You have only a trial to make to prove the truth of these assertions and to be convinced of the opportunity that lies at your hand for the taking.

Mexican Situation by Traders.

New York, Nov. 22.—The stock
market today brought to a close a
week of dullness which for this sea-
son of the year, is almost unparallel-
ed. Today's trading was colorless
as on the preceding sessions and
price changes among the active
stocks were trivial. The amount of
business was only about 50,000
shares.

The market appeared to be imper-
vious to the influence of adverse fac-
tors. As the Mexican situation re-
mains day after day without signif-
icant change, less attention is being
paid to its bearing on the course of
prices. The weekly reviews of trade
told of indications of curtailment in
various lines.

Another disturbing feature was the
acute weakness of various industrial
stocks, of which Mexican Petroleum
was most conspicuous. Within a
few minutes after the opening this
stock broke 2-1/2 to within a frac-
tion of its low record. Subsequently
it rallied.

The apparent indifference of the
market to these influences was as-
cribed to the stability which it deriv-
ed from the short interest built up
recently.

The bank statement was disap-
pointing. Although a substantial
cash gain had been indicated by
known movements of currency there
was an actual loss of \$1,277,000.
Loans increased \$21,744,000 which
presumably reflected the financing of
the week and the net result was to
cut down the surplus by over \$6,000,-
000.

This sounds like an "ad" for a clothing store, but it isn't.
However, it concerns a commodity that is just as important to
every person in Jacksonville as clothing or any other necessity.
We're talking about GAS and ELECTRICITY.

We don't desire to tell you about the many advantages of gas
and electricity, but we do want to tell you how you can have
your house piped or wired for gas, or electricity and never feel it.

Easiest Thing You Know

That's what it is, as observe the following plan:
We will pipe or wire your house RIGHT NOW and allow you
twelve months in which to pay for the service. Also, we will do
the work at cost price. Phone us at No. 111, 580; Bell, 332, or

KEEN INTEREST IN CONCORD INCORPORATION ELECTION

Owners of Farm Lands Object To Being Included in Proposed Limits—Think Taxes Would Be Large Without Benefits

A great deal of interest is being manifested in the election to be held Tuesday to decide upon the incorporation of Concord. Those who are pushing the movement for incorporation maintain that there is a great deal of disorder around the railroad yards which they wish to control and that sidewalks and other public improvements are desirable and cannot be secured under present conditions.

Concord as now laid out includes forty acres and the proposed town would have 1280 acres in addition all of which is now farm land. The territory as planned extends one and one half miles south of the present town and one half mile north. The farmers who own the 1280 acres which it is proposed to include in the town are objecting because they will be taxed for improvements which they feel will be of no benefit to them. The objectors believe too that some of those now living in the town who feel favorable to the proposition do not appreciate how much they are likely to add to their own burdens of taxation. The objectors point to the fact that every city and town in the county, except South Jacksonville is now taxed to the limit and these land owners, are asking their friends to look at tax receipts to see if this statement is not true. There are eighty or ninety men voters in the proposed area and probably a like number of women who are entitled to vote. It is presumed that those who planned for the incorporation of the town drew the proposed lines in the way calculated to include the largest amount of railroad property.

WELCOME BRAMWELL BOOTH.

New York, Nov. 22.—Honors such as are reserved for the most distinguished visitors to New York were today accorded to Gen. Bramwell Booth, who is paying his first visit to the city since he succeeded his father as international commander of the Salvation Army. Escorted by a large body of local members of the army and accompanied by his staff in full uniform, General Booth was driven at noon to the city hall, where he was officially received by Mayor Kline and other representatives of the municipal government. Tomorrow a big welcome meeting in honor of General Booth will be held in Carnegie hall. District Attorney Whitman has accepted an invitation to preside at the meeting.

MINIMUM WAGE IN OREGON.

Portland, Ore., Nov. 22.—A new law that will place Oregon in the front rank of the states that have adopted measures designed to better the condition of women workers will become operative tomorrow. The law fixes a minimum wage of \$9.25 a week for adult women clerks who are not apprentices; defines eight hours and twenty minutes as the maximum day's work and fifty hours as the maximum for a week, and makes 6 p. m. the latest hour at which any woman may be employed on any day of the year in a mercantile establishment. The law automatically eliminates Saturday night shopping and Christmas holiday night shopping in such establishments.

EVERYTHING MUSICAL

Active Work Begun For Mid-Winter Festival.

With the Chamber of Commerce boosting the Poultry Show, and Farmers' Institute and at the same time promoting the first Made in Jacksonville Industrial Show, the week of Dec. 8th to 13th promises to be a busy one. Committees are actively engaged in making preparations for the coming events, and from the amount of advertising which will be done Jacksonville is bound to reap some benefits.

Exhibit Space Going Fine.

With about three-fourths of all the space sold, in the Made in Jacksonville Show, and many inquiries from prospective exhibitors, Chairman Massey of the Exhibit Committee stated that he thought that there would be a big demand for space before the opening of the show. Work will be started on the booths next week, so that everything will be in readiness for the exhibitors the week before.

Special Feature Days.

The program committee is arranging for special feature days, one on which all the school children will be admitted free. The Farmers and Business men will have special stunts which will be pulled off and contests and prizes will provide competition for all. An admission of ten cents will be made but the ex-

hibitors will be given a goodly number of complimentary tickets. These will serve to advertise their booths as well as the show.

Surprises For the Association.

To have new members continually joining the Chamber of Commerce is a surprise for some, but it shows that they believe the organization is one which is working for every civic advancement in our city. At our next noonday luncheon another list of new members will be read, some of whom have signified their willingness to join without being solicited. We have one of the best commercial organizations in the state and as our new electric sign says we want to continue to keep wide awake.

Centralia Is Busy.

The early part of this month four hundred and fifty Farmers and business men met together in Centralia to celebrate the building of the \$20,000 co-operative creamery building. This meeting is significant because it shows that the commercial organization desires to work and promote the interests of the people of the whole community and the farmers are one of the most important classes of citizenship.

STOCK SHOW AT FORT WORTH.

Fort Worth, Tex., Nov. 22.—Linking modern Texas to the old cattle days is the 18th annual National Feeders and Breeders' show which opened here today. Herds of cattle are being driven through the streets with the same abandon as a generation ago. Big spurs are clanking through marble paved hotel lobbies. Chaparrals are back in the best society. For a week Fort Worth is to be the typical frontier cow town, with its dust and its ever present bovine odor.

Preceding the opening of the show this afternoon there was a parade through the business section to the stock yards. The parade was fol-

lowed by the formal opening exercises at the Coliseum. Governor Colquitt delivered the principal address. Thresho wthis year is the largest in the history of the organization. At the stock yards for the event are thousands of thoroughbred cattle, pedigreed sheep, fine horses and fancy hogs. The annual show of the Fort Worth Poultry and Pigeon association, which is being held in conjunction with the stock show, adds to the aggregation several thousand choice specimens of poultry and pigeons.

CHARLES CORREA, WANTED ON
ARSON CHARGE, ARRESTED HERE

Is Accused of Complicity in Same Case in Which Emmanuel Mendonsa is Involved.

Charles Correa, wanted in Edwardsville on a charge of arson, gave himself up to Sheriff Rogers Saturday evening by a deputy sheriff from that place. Mr. Correa is a brother-in-law of Emmanuel Mendonsa who was arrested in St. Louis recently on a charge of arson in connection with the burning of some residence property which he owned at Madison, Ill. Mr. Mendonsa was indicted by the grand jury and it is charged that the property which burned, was purchased and insured by him prior to the fire and that it had not been occupied for ten years. Mr. Correa is accused of complicity in the same case. Mr. Correa arrived in the city via the Wabash Saturday morning at 1:35 o'clock and on learning that Sheriff Rogers had a warrant for his arrest went to the sheriff's office and gave himself up. He was taken to Springfield via the Wabash at 6:30 o'clock Saturday evening and from there to Edwardsville. He has been conducting a hotel near the Union station in St. Louis.

The deputy sheriff who came for Correa Saturday stated that up to the time he left Edwardsville Mr. Mendonsa was still a prisoner in jail there, as he had failed to give bond. It was the expectation, however, that both Mr. Mendonsa and Mr. Correa would speedily be released.

DELICIOUS STUFFING

FOR TURKEY

Here is a recipe for stuffing for the Thanksgiving turkey that has been widely tried with entire satisfaction. It is one of the many new ways of using macaroni and that have been devised by American cooks to please American tastes. The use of macaroni and spaghetti will be greatly increased as it becomes more generally known that they are weight for weight of more food value than meat while they cost much less, and that a great variety of inviting dishes may be prepared with them. The fact that it is now possible to obtain the American dried article, manufactured in clean factories from the genuine durum wheat has removed the most serious objection to their use in the past.

This stuffing is more easily prepared than the ordinary, and is never soggy. It can be given in liberal helpings to the children and is more healthful for the "grown ups."

Macaroni Stuffing.

Boil macaroni until tender, as directed in the package, and the turkey liver with it. Chop the liver fine and mix. Flavor with grated onion, pepper and salt, adding a touch of sage if desired.

ILLINOIS WINS
FROM SHURTLEFF

DEFEATS ENEMY ON ITS OWN GROUND 32 TO 13.

Illinois Takes One Step Closer Toward Championship of College Association By Winning From Strong Alton Eleven. How the Scores Were Made.

Illinois college added another game to their long string of victories, and came one step closer to the championship of the Illinois Intercollegiate association when they defeated the strong Shurtleff team on their own Alton grounds by a score of 32 to 13.

Heretofore the Shurtleff college team had always been a hard nut to crack, but this time Coach Harmon's hammer was in fine working condition and the Hill eleven nosed out a victory by a substantial score. After Illinois had made their first two touch downs they eased up a bit and thought they were resting on easy street like they did in the game here against Lombard. Shurtleff took advantage of Illinois' vacation and came back strong, which opened the eyes of the locals, who got in the game proper, and after that there was not much doing for Shurtleff. Aside from some poor judgment used in the one spot in the contest the local eleven played consistent ball, each man contributing a part to the victory.

Coach Harmon will now perfect his machine for the big game against Williams and Vashon on Thanksgiving day, to be played at Alton. Upon this game will depend Illinois' title to the championship.

Story of Game.

Alford won the toss and chose to defend the south goal. Snodgrass kicked off for Shurtleff. Illinois took the ball straight down the field, scoring the first touch down, after five minutes of play, when Stewart carried the ball over. Frisbie missed goal. Illinois kicked off to Shurtleff, held Shurtleff for down and received the ball on a punt. By straight foot ball Illinois again carried the ball, straight down the field for the second touchdown. Stewart again making the score, Frisbie failed to kick goal. Score 12 to 0.

In the second quarter Shurtleff by the aid of a long run on a fake kick, brought the ball within scoring distance and carried over on line plunges, Moore making the final plunge. Snodgrass kicked goal. Score 12 to 7. Illinois kicked to Shurtleff, Moore caught the ball and ran the length of the field for a touchdown. Snodgrass failed to kick goal. This score threw a scare into the Illinois team and after receiving the ball on the next kickoff carried it quickly up the field for the third touch down. Stewart again scoring. Frisbie kicked goal. Thus ended the scoring for the first half, 19 to 13 in Illinois favor.

Game Was Shortened.

On account of the fact that the Western Military team had a game scheduled it was necessary to shorten the length of the quarters in the second half, to ten minutes each. The third quarter began by Illinois kicking to Shurtleff. Shurtleff was unable to make any consistent gains and resorted to much punting. Securing the ball on a punt, the Illinois team again struck its stride and carried the ball rapidly up the field to the four yard line from which point Alford scored the fourth touchdown. Frisbie kicked goal. In the fourth quarter Illinois added another touch down, using the same style of play which brought the score in the third quarter. Frisbie missed goal. Score 32 to 13. The fourth quarter was called with the ball in Illinois possession on Shurtleff's three yard line, another play or two would have surely resulted in another touchdown.

Visitors at Game.

Among those who witnessed the game were Hugh Maxey's father from Mt. Vernon, Jesse Grantham, a tackle on the 1911 team, came over from his home at Butler, Ill., to pull for the blue and white. Miss Charlotte Hayden, and Miss Martin were there from Monticello Seminary, and from Jacksonville, were Stewart Russell, Kimmel, Bullard, Robert Capps, Miss Martha Hayden, Miss Eleanor Capps.

Team Met at Train.

When the team arrived over the Alton they were met by a large delegation of students, who formed a parade and marched to college hall, the demonstration being a lively one.

GEORGE S. LEWIS RESIGNS AS COUNTY HOME HEAD

Will Leave Superintendency March 1st After Six Years of Efficient Service.

George S. Lewis, superintendent of the Morgan County home has handed his resignation to the board of county commissioners to take effect March 1st, 1914. While Mr. Lewis has not announced his plans it is understood that he wishes to engage in business on his own account. He has been superintendent of the farm for the past six years and his record there has been excellent. Ably seconded by his wife, Mr. Lewis has given the county efficient service on the farm and return made each year has been of a satisfactory kind. Grand jury reports from year to year have commended the work of Mr. Lewis and the farm interests of the home seem to have been especially well managed under his direction. His letter of resignation to the board was as follows:

"Jacksonville, Ill., Nov. 22, 1913, 'To the Honorable Board of County Commissioners—Gentlemen: 'Having arranged to engage in business for myself, I hereby desire to tender my resignation as superintendent of the County home, to take effect March 1, 1914. 'In so doing I am not unmindful of the fact that I am indebted to you for the many courtesies extended to myself and family during the six years it has been my pleasure to serve you, and assure at the same time I have endeavored to give you and the taxpayers of the county my very best efforts, to the best of my ability, always keeping in mind economy, faithfulness and service. 'Trusting I may have your favorable action, believe me, 'Faithfully yours, 'George S. Lewis."

MORTUARY

Madden.

Peter Madden, for twenty-six years a conductor for the Chicago & Alton Railway company, died at a hospital in this city Friday evening. The remains were taken from the Reynolds undertaking establishment Saturday to Bloomington where funeral services will be held from the Catholic church. They were accompanied by his wife.

Drake.

Mrs. Alma Drake, aged 29 years, died at Painsavert hospital Saturday night at 11:30 o'clock where she had been a patient for the past six weeks. The remains were taken to the Reynolds undertaking establishment and will be taken to Mt. Pulaski this morning at 8:30 o'clock via the Washash for interment.

Hooley.

Dennis C. Hooley, for thirty years a resident of Jacksonville, passed away after a brief illness at his home in Peoria, Saturday morning at 4:20 o'clock. The shock of his death is especially hard on account of its suddenness as he was seemingly in good health up until last Wednesday when he was stricken with paralysis. His going will be mourned in Jacksonville by many, as he was a man of sincere purpose and upright Christian character. Mr. Hooley was born near St. Louis in 1861, the son of William and Bridget Hooley. He was married in Jacksonville to Miss Katherine Walsh, twenty-seven years ago last September. His home has been in Jacksonville up until two months ago when he removed with his family to Peoria. He was employed, while in the city, by the C. P. & St. L. railroad company.

Besides his wife he is survived by three sisters, one brother, four sons and four daughters. His brother, Patrick resides in St. Louis, as do his sisters, Mrs. William Springer, Mrs. Frank Squire and Miss Margaret Hooley. Katherine, Margaret, William, Thomas, Mary, Loretta, John and George are the children who survive him. One son, Daniel, preceded him in death seven years ago.

The deceased was a member of the Catholic church and of the order of Modern Maccabees. The funeral will be held from the Church of Our Savior at 9 o'clock Monday. Friends are requested to please omit flowers.

Garland and Co. have a big variety of bath robes and smoking jackets rightly priced.

FUNERALS

Todd.

Funeral services of Miss Mabel Todd were held Saturday afternoon at 2:30 o'clock from the late residence, 1208 Park Place, in the presence of a large number of relatives and friends and were in charge of Rev. Clyde Darsie, pastor of Central Christian church. Music was furnished by a quartet composed of Mrs. Wallace Brockman, Miss Cora Graham, Rev. Mr. Darsie and W. W. Gillham and the flowers were in charge of Mrs. McClellan, Miss Ottwell, Miss Miller and Miss Hood.

Interment was made in Diamond Grove cemetery and the bearers were: S. C. Chrispin, Dick Richard, Newton Davis, William David, W. T. Jones and Mr. Ray.

Dyer.

The funeral of Mrs. Harriet Dyer, whose remains were brought to this city Friday from Bertrand, Neb., was held Saturday morning at 11 o'clock at the Union Baptist church at Pisgah in charge of Rev. J. E. Curry. Music was furnished by the church choir and the flowers, which were many and beautiful, were cared for by Mrs. Elsie Dyer, Miss Blanche Coker and Miss Florence Ehrich, all grand daughters of the deceased.

Interment was made in the Union cemetery and the bearers were: Isaac Wood, Ivan Wood, Frank Wiggin, T. B. Buchanan, James B. Beckman and S. M. Hussey.

FORMER JACKSONVILLE GIRL HEADS SOUTH CAROLINA D. A. R.

Mrs. Grace Ward Calhoun, Daughter of Mr. and Mrs. J. N. Ward of This City, Chosen State Regent.

Special honor attaches to the selection of Mrs. Grace Ward Calhoun as regent of the South Carolina D. A. R., as she is the first woman born outside the state and north of the Mason and Dixon line, to be elevated to that position. Mrs. Calhoun served as vice-regent and chairman of the education committee and her report at the annual meeting was most interesting.

Mrs. Calhoun is a former resident of this city and is a daughter of Mr. and Mrs. John N. Ward, and is rightly accounted one of the most brilliant of the daughters of Jacksonville. In speaking of her selection, a Columbia, S. C., paper has the following:

"The new regent was born and bred in Illinois, coming to this state ten years ago, a bride. However, she has claims upon the south, she declares, through some of her ancestors who were Georgians. Her husband, who is a native of New York, is a descendant of an uncle of John C. Calhoun, so that he comes from the same original stock as the South Carolina Calhouns. By a strange turn of fate he is at Clemson College the home of the Calhoun family, being the professor of geology and vice director of the agriculture department of Clemson college."

A PROFITABLE ENTERTAINMENT

The carnival at the Lafayette school building Friday night netted about \$75.00 which is certainly a good showing. The articles sold were generally donated so that all who patronized it in any way had the pleasure of knowing that all the money they paid went directly to the object intended. The promoters of the manual training room have now made some \$225.00 in all and that is certainly most praiseworthy and the work they have done will cause them to value the enterprise all the more.

AT THE GRAND.

When Manager Gus Hill first conceived the idea of transferring "Mutt and Jeff" to the stage, it was predicted that he would only have failure for his plans. How futile his critics were regarding the innovation is illustrated by the fact that "Mutt and Jeff" in stage form has been the most successful attraction the theatre has known in almost a decade. The latest vehicle of these cartoon favorites is called "Mutt and Jeff in Panama." It is a three act comedy with musical trimmings and was written by Owen Davis, an author who has many dramatic hits to his credit. The offering comes to the Grand Monday night. A worthy and commendable production is promised along with a satisfactory complement of scenery, effects, surprises, novelties, etc., and a capable cast of people.
